Hi Andy, Stan,

I'm forwarding the draft TCE transmittal memo for your review and signature. I have also included a link to the supplemental files. I have done a review of all supplemental files to ensure that they are ready for final publication. The Risk Evaluation (RE) and Response to Comment (RtC) documents are being QC'd by Rehan and the team. These two documents as well as the supplemental files will be ready for submission to RCS by tomorrow afternoon. Please let us know if you would like a final look at the RE and RtC documents before we load them into the sharepoint site for RCS.

Here is the link to the supplemental documents - [TCE SP supplemental documents folder](#)

Thanks much,
Yvette
